Table will be by owner. Provide all labor and material for a complete and properly functioning system.
- 1.05 On A/500- the unit price window should be a bronze frame rather than the listed anodized aluminum.

ADD 1-1

Please acknowledge receipt of Addendum No. 1 on bid form.

QUESTION AND ANSWERS:

Q1. I didn't see anything on the specs or scope of work about the Phone System – is this not included for bid or will the college put out a separate bid for it?

A1. Please see sheet T201.

Q2. You mention that the cabinets need to match existing cabinets, but you also say you want Medallion Glenwood door style. Are the existing cabinets Medallion where one of their standard stain colors will work?

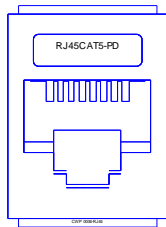

A2. The existing are maple with a clear finish, so Medallion (or equal), Glenwood (or equal), clear finish will work

Q3. If you accept an alternate cabinet, will you accept a cabinet that has a plywood door? Or, are you going to require the door to be solid hardwood like the Glenwood?

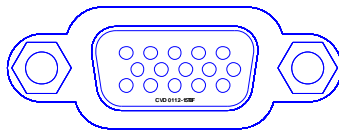

A3. We will accept a plywood door.
